

# WELLS COUNTY TRAILS SR 124 STUDY FUNDRAISER

Date: October 14, 2024

Wells County Trails and the City of Bluffton are working towards our fundraising goal for the engineering study for the proposed SR 124 trail running from the Interurban Trail on Main Street down SR 124 to Elm Grove Rd. The Wells County Foundation has pledged \$25,000.00 in a \$1-for-\$1 matching grant. Your support to raise the matching \$25,000.00 in this fundraiser will help us to qualify for future construction grants and make the best route and construction decisions for one of our highest connectivity needs within our community. With your help, we can meet this fundraising goal. Any amount will greatly help us obtain our goal. There are sponsorship opportunities available as well which are highlighted in the enclosed flyer. With your help, we can continue to improve our trail network and quality of life within our community. Thanks in advance for your interest in this great project.

If you have any questions regarding the project or a donation, please feel free to contact Michael Lautzenheiser at 260-820-1671 or at [wellscountytrails@gmail.com](mailto:wellscountytrails@gmail.com).

Sincerely,

Michael W. Lautzenheiser, Jr.
